Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 30 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry, chilly overnight. Sunshine and showers on Saturday.

This Evening and Tonight:
Showers will die away this evening from inland areas, to leave a mainly dry night with clear spells. Isolated showers may continue near coasts. A touch of frost will develop by dawn in rural areas with light, variable winds. Minimum temperature 0 deg C (32 deg F).

Saturday:
A day of sunshine and developing showers is forecast, the showers locally heavy by the afternoon. Feeling cool in the northerly breeze. A slight frost will form overnight. Maximum temperature 10 deg C (50 deg F).

Outlook for Sunday to Tuesday:
Sunshine and some showers on Sunday. Bright start to Monday, with showers, then occasionally heavy rain and strong winds later. Sunny spells and showers on Tuesday, with cold northerly winds.
